IN APPRECIATION

To GEORGE R. WALLACE
For his restoration of Wallace Way

DEDICATION

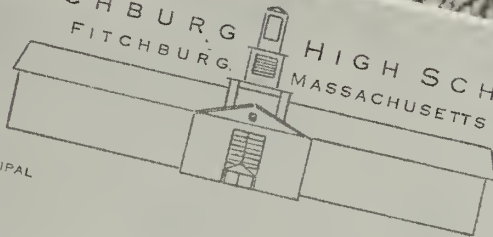

To ROBERT O. MAILLOUX
"Thou wert my guide, philosopher, and friend."

STEPHEN T. WOODBURY

FITCHBURG HIGH SCHOOL
FITCHBURG, MASSACHUSETTS

OFFICE OF THE PRINCIPAL

To the Class of 1957:

Your classbook is a compilation, in pictures and in print, of persons and events in your stay at Fitchburg High School. We are glad you were here. The school has benefited by your presence. Also, be it remembered, the school has done a lot of important things in changing you from an adolescent to a young adult. The care you take to hold fast in your memory your classmates and activities attests to the value of this book.

Each one of you has given of himself and received values which cannot be written into any book. Some of you have taken advantage of the educational resources to a great degree and by so doing have given a lot to the school. Others seem to have been affected by the school to a lesser degree and their contribution is less because they gave less of themselves.

What we want you to remember is that your school has tried to impart the knowledge and qualities of character which are so sorely needed in our society.

We hope you will gain in wisdom, be a good citizen of your community, state and country, and give of your abilities in some service to humanity.

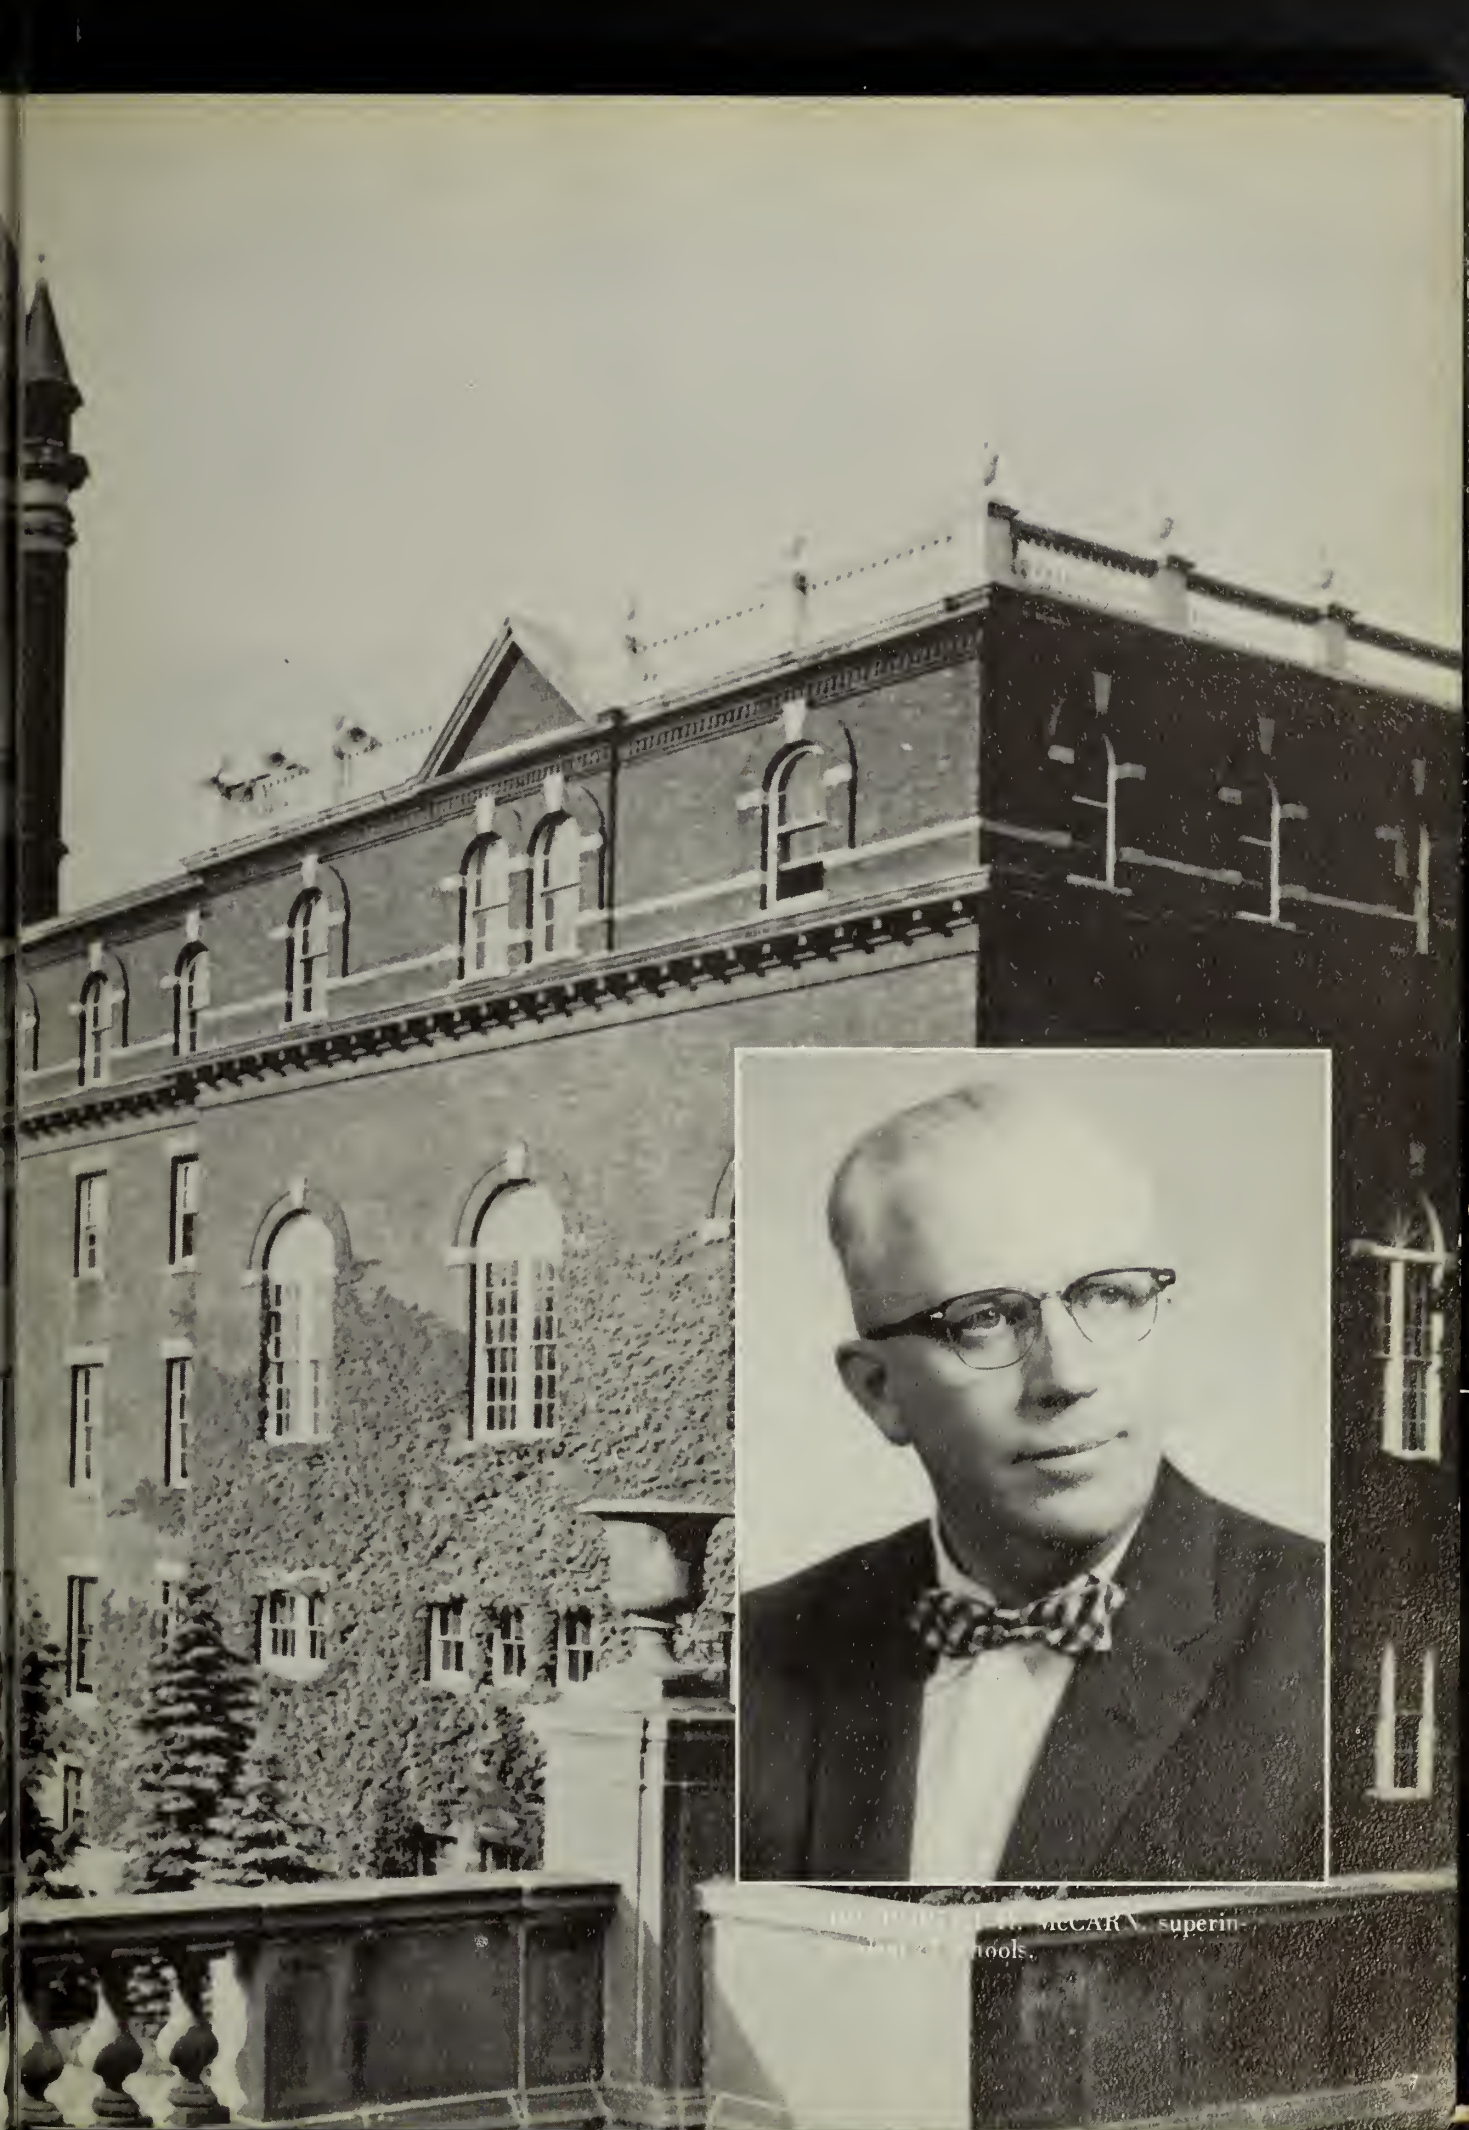

God bless you all,

Stephen T. Woodbury

Sophomore Year we gave a spirited performance in "The Mad Breakfast." We didn't win, but we had a lot of fun trying!

Near the end of the year, we elected our four capable class officers: Wayne Parker, President; Joyce Johnston, Vice President; Alice Buono, Secretary; and Roy Weymouth, Treasurer. Haven't heard any complaints yet!

Mr. Robert Mailloux and Mrs. Sally Leary were selected to be our class advisors by an overwhelming majority. Unfortunately, for us, Mrs. Leary "acquired a new position as housewife and mother," but Mr. Mailloux has truly been our philosopher, guide, and friend.

Class History by: ANNE HENDRICKSON and MARGARET SHERER

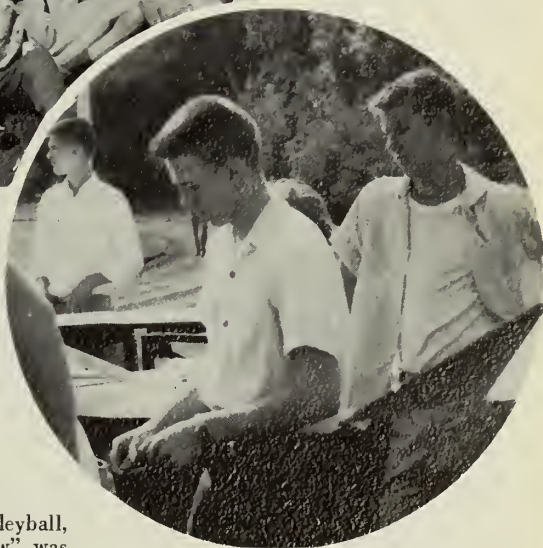

"Seeds of Suspicion" was our junior play in the Open Meeting. Splendid performances were rendered by all!

In February we enjoyed the Junior Prom, "Mardi Gras." Unique decorations, good music, and tasty refreshments added to a highly successful evening.

Just before the big race! Our boys made the Junior-Senior Relay a close and thrilling contest. They wore their green proudly and we were justly proud of them, for each member turned in a fine performance for us.

Just a few of the boys at the Junior-Senior Barbecue. We played volleyball, softball; and the girls even had a little relay race! As soon as "chow" was announced, everything else was forgotten in the big race for the delicious food.

Three of our able football mentors at one of the games. We didn't have a very successful year, but our boys kept trying.

SENIOR YEAR

One of the tables at our Senior Reception to the faculty.

We started Senior Year with our Senior Reception to the faculty. We devoured a huge spaghetti supper, and then, completely stuffed, we retired to the gym for dancing.

This year our entry for the Competitive Plays was "The Opening of a Door." Although our play didn't win, Charles Koski walked off with the "Best Actor" award.

The Junior-Senior Christmas Party was an occasion for Santa, dancing, entertainment and fun.

will be placed in our store window sometime in May. Every Senior's name will appear on the clock dial. The clock will be wound so it will stop during the day of graduation. The minute hand will stop at a senior girl's name and she will receive a fine high-grade bracelet watch. The hour hand will stop at a senior boy's name and he will receive a good strap watch. If the winner already has a watch and it was purchased here in 1957 she or he may have \$100 in cash instead of a watch.
